CORAM : DR.D.Y.CHANDRACHUD, J.

PC :

1. There is a concurrent finding of fact by both the Courts below that the Appellants had felled 372 Scheduled Trees from Survey No.239 without obtaining the permission required in law. The evidence of the Forest Officer (DW-2) has been duly considered and accepted. There was a complete violation of the provisions of the Maharashtra Felling of the Trees (Regulation) Act, 1964. No substantial question of law arises. The Second Appeal is dismissed.
